PIERRE FAUCHARD ACADEMY

An International Honor Dental Organization

GEORGIA SECTION

February 24, 2003

Dear Dr. Shurett:

On behalf of the Georgia Section of the Pierre Fauchard Academy I want to thank you for your extraordinary generosity in allowing us not only the use of your newest mobile dental van and supplies, but also the wonderful talents of Kellie and Doug! They were amazing! You have two standout employees who truly enjoy their work and working for you. We simply could not have treated 36 kids on Friday without their expertise!

We were all impressed with your organization. The MCG students were especially thrilled with the opportunity to provide services off campus in a unique environment and particularly at being able to watch you work—I'm sure they have never even imagined being able to provide treatment at the pace you do—an excellent mentoring experience!

Thank you again for all you did in helping everyone come out a winner during the ADA's *Give Kids a Smile* campaign.

Sincerely,

Karyn Stockwell, DMD
Georgia Section Chair, PFA
